DK PUBLISHING is the New York Times bestselling publisher known for its distinctive, highly visual books, ebooks and apps that inform, inspire, and entertain readers of all ages—but that’s not all we do...

We also provide a broad range of cutting-edge digital and multimedia content solutions. Let DK help you grow your business, increase site traffic, and reach your ROI goals through leveraging DK’s core competencies and assets. License our award-winning travel and reference content to reach your target audience in a range of innovative ways.

By using DK licensed content, you will be offering a wealth of information. You can rest assured that your customers will benefit from DK’s comprehensive, up-to-date areas of expertise.

Our in-house team of online editors, developers, and designers continue to harness the latest in digital technology and online applications to help you drive your business and compete successfully in the digital age.

DK is Bestselling Reference
Our authors and contributors are well respected authorities in each field of expertise—and we collaborate with some the most authoritative institutions: Smithsonian Institution, American Museum of Natural History, Audubon Society, American Horticultural Society, and more.

Our Partners include:

Don’t Just Take Our Word for It

“DK is known for its visually lush books. Whether it’s intricately designed page interiors, pull-out maps, or even a die-cut cover that lets readers peer inside at body organs—this crew likes to make books that are fun to look at and play with.”
— Forbes.com

“Each book is a visual as well as informative feast about a particular place”
— The New York Times

“Longtime publisher of visually seductive books on everything from dinosaurs to travel.”
— San Diego Union-Tribune
